# A Family Tradition

Family owned and operated since 1992, Natural Harvest Food, Inc. is an established professional wholesale packer and distributor of high quality and freshly Roasted Nuts, Tropical Dried Fruits, Custom Trail Mixes, International Seeds, Noodle and Gourmet Chocolates. Due to the consistency of our product line's quality and freshness, we are now one of the nation's most trusted and highly referred to packers and copackers offering over 500 unique and delicious snacks!

# Featured Clients and Retail Locations

For almost 3 decades, our company's mission has stayed the same: to provide high quality and unique snacks to companies, retailers and individuals who appreciate great health and delicious flavors. We source all of our products directly from local farmers and manufacturers to ensure the highest rate in quality and freshness. Our products are roasted, salted, flavored, packed and shipped out only when the order comes through our systems to ensure a fresh taste during delivery, a key advantage that separates us from the rest!

Co-Packing, Private Label, In-House Printing, Volume Production with High Quality Ingredients

> Automatic Weigh Vibratory Filler

Capable of Packaging up to 6 lbs

Quality Ingredients At Natural Harvest Food, our food co-packing services and portion control offerings include many possibilities such as packaging stand-up pouches, pillow bags, tube bags, plastic jars, clamshells and boxes.

We have the capabilities to create and produce private brand products as well as commercial products for our local, regional and national customers.

Our in-house operations of custom label printing and product processing enables us to facilitate a high volume of orders in a variety of package sizes and configurations.

Our facilities are proudly FDA, Kosher and Halal Certified as well as using NSF Certified machinery and tools. Unlike many of our competitors, we process all of our products using our new and state of the art weigh fillers and packaging machines. We also employ an allergen control program that is applied throughout all processes of production and supply chains to ensure the safety of our products.

We are dedicated to ensuring that our retail customers and consumers are eating snacks that have been produced, processed, prepared and handled according to the highest quality standards.

# Our Certifications Include but are not Limited to
